

Shanghai Institute of Technology

—A CRADLE OF ENGINEERS

International Cooperation Office
Shanghai Institute of Technology

上海应用技术大学
SHANGHAI INSTITUTE OF TECHNOLOGY

is a full-time public university with 70 years history. SIT owns two campuses – Xuhui downtown campus is located in city center of Shanghai, adjacent to Caohejing Hi-tech Park. Fengxian main campus is located in Fengxian Bay area. The two campuses cover an area of 1106870.2 square meters.

SIT is one of the top 100 demonstration universities of Applied Sciences distinguished by its Perfume and Aroma Technology program in China. SIT is also one of the pilot universities included in the Chinese Ministry of Education (MOE) “Excellence Engineer Education Program” and one of the 15 pilot universities to deepen innovation, originality and entrepreneurship education (IOE education) funded by Shanghai Municipal government. As one member of UAS alliance under the guidance of Chinese Ministry of Education, after 70 years of twists and turns, SIT has developed a mature application-oriented education system including **53 undergraduate programs** with a focus on engineering and natural science areas, **27 thesis-based master’s degree programs** and **20 discipline areas of professional master’s degree programs** covering more than **8 major discipline complexes** including engineering, science, management, economics, humanities, laws, agriculture and art. We are authorized to offer **doctorate degree in Chemical Engineering and Technology** since 2021.

The total enrollment is over 20000 students. SIT has more than 1700 full-time teachers and high-quality research faculty. SIT has increased the percentage of industry experts and elites with overseas education background so as to cultivate talents with strong practical ability and international way of thinking.

SIT owns 11 National First-class Undergraduate Program Construction Sites and 14 Provincial First-class Undergraduate Program Construction Sites. In 2020, SIT adds 4 newly approved Undergraduate Programs by the Ministry of Education including Artificial Intelligence, Robotics

Engineering, Big Data Management and Application and Intelligent Manufacturing Engineering. Among programs we offer, Perfume and Aroma Technology, Chemical Engineering and Technology, Electrical Engineering and Automation, Civil Engineering, Landscape Architecture, Mechanical Design Manufacturing and Automation, Food Science and Engineering, Material Science and Engineering, Pharmaceutical Engineering, Software Engineering, Information Management and Information System are National Pilot Programs for “Applied Undergraduate Program”.

SIT has established extensive cooperation and exchange relationship in various forms, for instance, seeking international authentication for Engineering programs, developing Joint Double-degree Program, carrying out Joint Education, and conducting Student/Staff Exchange Programs with **164 overseas universities and research institutions in 32 countries and regions** all over the world.

To respond to the Belt and Road initiative, we cooperated with Souphanouvong University (SU) to cultivate the local railway technical talents in Laos. The **SIT-SU Cooperative Program in Railway Engineering** has enrolled **nearly 40 Laos students (22 undergraduates and 15 graduates)**. The first two batches of about 20 students have graduated from this program, who have become the engineers serving the construction of China-Laos Railway. Based on this successful cooperation, we established **the Belt and Road Lancang-Mekong Railway Connectivity Center** in 2021, which is funded by Shanghai Science and Technology Commission.

SIT has become an ideal choice for international students from all over the world to study applied science in Shanghai.

Welcome to SIT !

本科生 Undergraduates

学院 Schools	专业 Programs	学费 (元/年) Tuition fee (Yuan/year)
艺术与amp;设计学院 School of Art and Design	视觉传达设计 (国家一流本科专业) Visual Communication Design (National First-Class Undergraduate Program)	22000
	环境设计 Environment Design	22000
	产品设计 Product Design	22000
	绘画 Painting	22000
香料香精化妆品学部 School of Perfume and Aroma Technology	香料香精技术与工程 (国家一流本科专业) Perfume and Aroma Technology and Engineering (National First-Class Undergraduate Program)	20000
	食品科学与工程 (国家一流本科专业) Food Science and Engineering (National First-Class Undergraduate Program)	20000
	生物工程 Biological Engineering	20000
	化妆品技术与工程 Cosmetics Technology	20000
化学与环境工程学院 School of Chemical and Environmental Engineering	化学工程与工艺 (国家一流本科专业) Chemical Engineering and Technology (National First-Class Undergraduate Program)	20000
	制药工程 (国家一流本科专业) Pharmacy Engineering (National	20000

	First-Class Undergraduate Program)	
	环境工程 Environmental Engineering	20000
	应用化学 Applied Chemistry	20000
	给排水科学与工程 Water Supply and Drainage Science and Technology	20000
材料科学与工程学院 School of Materials Science and Engineering	材料科学与工程 (国家一流本科专业) Materials Science and Engineering (National First-Class Undergraduate Program)	20000
	复合材料与工程 (上海市一流本科专业) Composite Materials and Engineering (Shanghai First-Class Undergraduate Program)	20000
	材料物理 (国家一流本科专业) Material Physics (National First-Class Undergraduate Program)	20000
生态技术与工程学院 School of Ecological Technology and Engineering	风景园林 (上海市一流本科专业) Landscape Architecture (Shanghai First-Class Undergraduate Program)	20000
	园林 Gardening	20000
	园艺 Horticulture	20000
	生态学 Ecology	20000
城市建设与安全工程学院 School of Urban Construction and Safety Engineering	建筑学 (五年制) Architecture	20000
	土木工程 (国家一流本科专业) Civil Engineering (National First-Class Undergraduate Program)	20000
	安全工程 (上海市一流本科专业)	20000

	Safety Engineering (Shanghai First-Class Undergraduate Program)	
	建筑环境与能源应用工程 Construction Environment and Energy Application	20000
	工程管理 (上海市一流本科专业) Construction Management (Shanghai First-Class Undergraduate Program)	20000
	能源与动力工程 Energy and Power Engineering	20000
智能技术学部 Faculty of Intelligence Technology 轨道交通学院 School of Rail Transportation	铁道工程 Railway Engineering	20000
	通信工程 (轨道通号技术) Communication Engineering	20000
	交通工程 (铁路运输管理) Transportation Engineering	20000
	电气工程及其自动化 (轨道供电牵引) Electrical Engineering and Automation	20000
	车辆工程 Vehicle Engineering	20000
智能技术学部 Faculty of Intelligence Technology 计算机科学与信息工程学院 School of Computer Science and Information Technology	软件工程 (国家一流本科专业) Software Engineering (National First-Class Undergraduate Program)	20000
	计算机科学与技术 (上海市一流本科专业) Computer Science and Technology (Shanghai First-Class Undergraduate Program)	20000
	人工智能 Artificial Intelligence	20000

马克思主义学院 School of Marxist Theory	马克思主义理论 Marxist Theory

博士研究生学费 (33,000 元/年)

Tuition fee for Master's Programs (33,000 Yuan/year)

学院 Schools	专业名称及研究方向 Programs and Directions
香料香精化妆品学部 School of Perfume and Aroma Technology	化学工程与技术 Chemical Engineering and Technology 01 香料化学与香料产品工程 Aroma Chemistry and Product Engineering
化学与环境工程学院 School of Chemical and Environmental Engineering	化学工程与技术 Chemical Engineering and Technology 01 药物化学工艺 Chemical Pharmaceutical Technology 02 能源与环境化学工程 Energy and Environmental Engineering
材料科学与工程学院 School of Materials Science and Engineering	化学工程与技术 Chemical Engineering and Technology 01 材料化学工程 Material Chemical Engineering

FOR more information about our postgraduate programs, please visit <https://gs.sit.edu.cn/5706/list.htm>.

II. HOW TO APPLY

1. Please visit our application website: **sit.at0086.cn/student**;
2. or visit **<https://www.study-shanghai.cn/>** (Shanghai Scholarship Application Site);
3. Contact e-mail: **international@sit.edu.cn**

Deadline

Academic Programs: 30 July

III. WHAT DOCUMENTS YOU SHOULD SUBMIT

1. Personal ID photo.
2. Photocopy of passport (The date of expiry must be after Dec. 30, 2025) .
3. Highest diploma: prospective diploma recipients must submit an official document issued by your current school to prove your current student status or expected graduation date. Documents in languages other than Chinese or English must be attached with notarized Chinese or English translations.
4. Academic transcripts: transcripts in languages other than Chinese or English must be attached with original notarized Chinese or English translations.
5. Photocopy of HSK certificate or English proficiency certification (If applicable).
6. A Study Plan or Research Proposal (written in Chinese or English, 1000 words minimum).
7. Statement of financial support (**DOWNLOAD online**).
8. Non-criminal certificate (written in English or Chinese).

9. Foreigner Physical Examination Form (written in English or Chinese) (**DOWNLOAD online**). Please carefully plan your physical examination schedule as the result is valid for only 6 months.

10. Two Recommendation Letters (written in Chinese or English); Master's program applicants are required to submit recommendation letters signed by professors or associate professors, and doctoral program applicants are required to submit recommendation letters signed by professors.

11. Other documents which can illustrate your capabilities and potentials (Such as short videos, certificates of honor, resumes, published papers, patents, works of art, admission notices for undergraduate or higher education from foreign universities, etc) .

Attention :

★All application documents must have original documents in preparation for admission inspection. The scholarship will be revoked for those who provide a false document.

IV. SCHOLARSHIPS

1. Types

We offer two types of scholarships:

Shanghai Government Scholarship (SGS) for International Students (上海市外国留学生政府奖学金) (Type A & B) ;

SIT Scholarship(上海应用技术大学校内奖学金) (Type A & B).

	Tuition	Dorm.	Living Subsidy (Yuan)	Requirements
A (Full Scholarship (not for freshmen))	waiver	waiver	Postgraduates: 3000/month Undergraduates: 2500/month	1.Undergraduates or postgraduates (Freshmen not included) 2.exceptional academic achievements 3.HSK5 (270) and above
B (Partial Scholarship)	waiver	/	/	1.Undergraduates or postgraduates 2.excellent academic achievements 3.HSK4 (180) or HSK5 (180) and above

2. Requirements

(1) **Chinese Language:** For undergraduates, HSK 4 (180 points) above ;

For postgraduates, HSK 5 (180 points) above, or your undergraduate program was taught in Chinese.

(2) **Age:** Applicants for undergraduate programs shall be under the age of 25, while postgraduate applicants shall be under the age of 35 and 40 for master's and doctorate programs respectively.

V. TUITION & DORMITORY FEES

1. Tuition Fees

Bachelor's Programs	¥ 18000~22000/year
Master's Programs	¥ 25000/year
Doctoral Programs	¥33000/year

2. Dormitory Fees

Xuhui Campus (Downtown)	¥ 6000/year (double room, air-con, bath room)
Fengxian Campus (Suburb)	¥ 4800/year (double room, air-con, bath room) ¥ 1200/year(quad room, air-con)

double room in Xuhui Campus

double room in Fengxian Campus

quad room in Fengxian Campus
